

***HANDS-ON
LIVE SURGERY
COURSE***

27 - 28 May 2010

**SMZ - Ost
DANUBE
HOSPITAL**

NEUROMUSCULAR SCOLIOSIS

management

introduction

DANUBE HOSPITAL, VIENNA

Orthopaedic Department
Head: Prim.Univ.Prof.Dr. Alfred Engel

CFS - Center for Specialists

Spine: OA Dr. Richard Eyb

The **Center For Specialists (CFS)** was established to forward and continue technical skills and knowledge in surgery, since specialisation will be improved in the future years.

The Spine unit of CFS chose for the eighth course from 27th to 28th of May 2010 the topic of neuromuscular scoliosis.

We want to address spine surgeons with already practical experience in spine surgery and particular interest in advanced techniques of treating neuromuscular scoliosis.

sponsored by  **Johnson & Johnson**
MEDICAL AUSTRIA

- 2004 Spondylolisthesis
